

A.B. Combs 5th Grade

Leaders in Life

Report From the Fly on the Wall (or What is Going On In the Classroom)

Math: Our next unit focuses on place value, rounding decimals, as well as a more in depth focus on Powers of 10. Please encourage your child to also use Tenmarks at home to work on **personal** assignments!

Science: Next week we will focus on learning the impact that humans have on their environment and the health of an overall ecosystem.

Reading: During class, learning about figurative language and how it can make a story come alive!

Writing: We are beginning some pretty big assignments in writing! Look for information about study body elections and the Wax Museum this week!

Social Studies: We are studying the different types of economies and the benefits of each type!

School Mission, Vision, and Motto

Mission - We will take risks and seize opportunities to become creative collaborators, effective communicators, compassionate leaders and change makers.

Vision -By inspiring greatness, all children will realize their worth and reach their fullest potential.

Motto - Do unto others as you would have them do unto you.

Election Day

On Tuesday, November 8 we will have a 2 hour delay. Today is the deadline to register to vote! Make sure to talk to you child about the importance of voting!

- Please make sure you have filled out and returned your locator card
- The cost of agendas/Friday Folders is \$15.00. Please make check out to the PTA
